TranZform® Stock Finishes

Sound and Space models only

In addition to durability, ease of operation and low maintenance, Cornell products satisfy your long term aesthetic requirements. Along with its array of wall panel finish options, TranZform's colored vinyl connecting hinges and powder coated upright members compliment your selected panel finish. Neutral flat black top and bottom sweep seals compliment any panel finish.

Please note: Finishes below are a representation only. Individual monitor calibration can affect color appearance. Contact Cornell for a color accurate swatch when colors are critical.

Stock Finishes

Readily Available Finishes - Extended lead times, no added cost

Custom Finished Wall Panels to match a custom provided finish are available, but may extend lead time and add to project cost. Consult factory for details.
